# WHO ARE WE ?

The **Sénart Fontainebleau Institute of Technology (IUT)** was created in **1988** and is part of **Paris-Est-Créteil-Val-de-Marne University (UPEC)**. Over the years, we developed new programs and we now host **9 different departments** dispatched over **two locations**: one in the heart of **Fontainebleau forest** and the other in the **city of Sénart**.

# THE IUT ORGANISATION

The **University's president** is elected for 5 years **by the council**. He carries out the **global policy, decisions** voted and manages **the budget**. Its actually **Jerôme Lacoeuilhe**.

The Council's members are **teachers, staff members, local elected representatives**, and **3 students**, elected by their pairs. They votes on the IUT's policy, on its budget distribution, on its partnerships, and the university's activities.

**Each class** also elects **2 delegates** for the year.
